"PPL helps you establish a great new community and build a new life. I don't like to think about it, but if I hadn't found PPL, I think my future would have been prison or death. PPL saved my life."

"With PPL, if you show them you're going to work hard,
they're going to work even harder to help you. It's all
right there for you - but it's up to you to get it."
