**IN  
LIVING**

Volunteering has helped me see that I am an asset for helping uplift our future successful adults. As a Tutor-Mentor, I really enjoy guiding PPL's young residents and helping to build them into intelligent, respectable, men and women. Seeing my mentee grow is why I continue to come back.

**REGGIE, Volunteer**

Before, I knew how to provide great customer service but I didn't know how to translate my skills to a resume or look appealing to an employer. PPL helped me see how my skills were transferable. I now have confidence in myself. When I walk into a situation that could be intimidating, I may still be nervous, but I know how to meet the challenge because I have the tools.

**BYRON, Career Training graduate**

# FOR PRIDE

Pride is not an ending point—it is a launch. Pride happens when people believe in you so much that you start to believe in yourself. Pride is how lives are transformed and made better for the next generation. Pride is our passion lived out in profound ways. Pride is at the core of our mission.

Graduating was liberating because of how much work I put in to get to that day. I really worked hard to make sure that I graduated. I did not want to disappoint my parents and I didn't want to disappoint myself mostly. It was a really great feeling to be able to walk across the stage.

**ROBYN, Alternative High School graduate**

My dad was always a believer that given the right opportunities, people could be successful. He wanted to help people achieve the kind of success that he did. As a PPL donor, I feel like we're doing that.

**WANDA, Supporter**

I was working two jobs and barely saw my daughter. One day after leaving the shelter, I got a call saying I was accepted to a PPL apartment. I was so excited because I was at the end of my rope. Now I just feel blessed. It's been a journey, but I couldn't ask for anywhere better to be right now.

**A NAME IS AN ORGANIZATION'S FIRST AND MOST WIDELY TRAVELED AMBASSADOR. IT GOES EVERYWHERE, TELLING A STORY OF PURPOSE AND IDENTITY.**

**Project for Pride in Living.**

Our name is bold and declarative of our mission. It affirms that what is at our core matters deeply. Our purpose, all in a name.

Our name is the vessel that permeates our values—our mission to build hope, assets, and self-reliance, our belief in empowering people to become the authors of their own lives, and our commitment to ending the cycle of poverty shape our shared project. Established nearly 50 years ago, our purpose connects our ongoing project with pride, the centerpiece of uncovering strengths, unleashing possibilities, and unearthing potential.

Project for Pride in Living. Five words that declare who we are and where we're going, together.

**IN  
LIVING**

DEAR FRIENDS,

FOR  
PRIDE

**YOU ARE THE DIFFERENCE  
BETWEEN POVERTY AND PRIDE.  
YOUR COMMITMENT TO ENDING  
THE CYCLE OF POVERTY  
HELPS CREATE STABILITY IN  
HOUSEHOLDS ACROSS THE  
TWIN CITIES.**

More than 3,300 people will go to sleep tonight in a PPL property. Thanks to you, that number continues to grow. In 2018 we completed over 120 units of safe, quality, affordable housing, with a special focus on supportive housing for people with the lowest incomes and the greatest need.

You also helped over 300 people graduate from our career training programs. They will earn a combined income of \$10.5 million, entering the most promising sectors of our economy—health care, banking, the public sector, and more.

This 'project' that we are undertaking together—this Project for Pride in Living—is more relevant today than ever before. Our region is confronting two major challenges, a looming workforce shortage and a housing affordability crisis. This is critical work that requires us to move with urgency and innovation, break down barriers, and push the envelope on possibilities. In 2018, you helped us do just that.

- Working with the City of Minneapolis, we helped address the homeless encampment by providing housing resources to the Navigation Center. Our strong relationships with the Native community allowed us to model our racial equity commitment and bring the best of our capacity to this critical challenge.

- We collaborated with partners to expand proven solutions to the workforce shortage. Our innovative youth employment strategy, LEAP, grew from six contract alternative schools to 11 in 2018, helping 200 students annually realize their post-secondary education or career path.

- The Building Ladders capital campaign has positioned us to do more, and better. We've talked with new supporters and partners about why our housing + jobs model is so successful at stabilizing households, and how we're equipped to roll-up our sleeves and deliver lasting results.
- We continued to unpack our biases and challenge our assumptions. In 2018 we adopted our Statement of Equity, and remain committed to deepening our understanding and practice of racial equity through trainings, assessments, and leading with action.
- We elevated our perspective to influence policy that removes barriers and advances our mission. As a member of the Governor's Affordable Housing Task Force, we advocated for the need to link housing production, critical services, and explore new strategies to reduce costs.

It takes all of us to make this 'project' a reality. Participants and residents put in the work, we provide support, education, and services—and you see to it that the resources are there. This is an equation with proven results.

Thank you for being part of the PPL community of participants, supporters, and partners who want the best for our communities, and who believe that everyone deserves an opportunity to succeed.

At PPL, our mission is strong, our 'project' is bold, our future is bright.

## 84% OF GRADUATES HIRED RETAINED THEIR EMPLOYMENT FOR 12+ MONTHS

Career training programs help jobseekers get and keep a job by preparing for entry level positions with career laddering and income growth opportunities. Graduates receive 12+ months of job retention and wraparound support services to ensure long-term stability.

## 3x INCOME GROWTH FOR GRADUATES HIRED

On average, graduates who are hired experience a 3x growth in their income, with an average hourly wage of \$16.11. Career training programs help graduates increase their professional skills, financial stability, and opportunities for professional growth.

## NEARLY 13,000 PEOPLE SERVED

Of people served, 83% are people of color and 90% are people living in poverty, helping reduce racial and economic disparities. We are committed to tracking and sharing our outcomes and using data to find constant improvement—our supporters and participants deserve nothing less.

Going beyond surviving to embrace truly living. A life free from homelessness and unemployment, where families are stabilized, kids are reading better, folks are getting decent jobs, and students are graduating high school. PPL gets at the core of what makes a household function economically, setting the stage for lasting stability.

# IN LIVING

## 95% OF RESIDENTS MAINTAINED STABLE HOUSING FOR 24+ MONTHS

Helping residents achieve long-term stability is central to our work. Onsite support services help residents gain the tools, resources, and supportive networks needed to stabilize their household and restore pride.

## 1,568 AFFORDABLE HOUSING UNITS

PPL builds and manages safe, quality, affordable housing throughout the Twin Cities. On any given night, 3,322 people live with PPL. Each property offers rents below market-rate, providing affordable housing options to people most in need.
